

Puttin' and Takin'

I'm puttin', puttin' troubles far behind.
I'm takin', takin' all the joy I find.

I'm walkin', talkin' to a friendly breeze.
I'm goin', goin' anywhere I please.

I'm hopin', prayin' to the Lord above
That nothin', nothin' spoils this life I love.

I'm puttin', puttin' wearies on the shelf
Takin', happy laughter for myself.

--The Inkspots

Reception follows immediately after service at Jani and Zeke Little's house. All are invited. From church continue west on Hwy 36. Approximately 2 miles past Lyons, turn right on County Road 71N, and stay on this road until you see a bank of mailboxes on the left and a fork in the road (approximately 2.5 miles). Take the right fork, which is CR 37E, and pass the Dead End sign. Continue on this road for 1.5 miles until you come to a ranch gate. Go through gate and veer left. Little's is large stucco house on the left.
